

“ Qlik is our Analytical Savior [cue heavenly choir]! Qlik removes the guessing from our daily work. Top executives have relevant information at the pulse of their fingertips – Qlik is always on! KPIs and progress are seamlessly and easily communicated throughout our entire network of constituents. We are making informed and better decisions at a much faster rate than our competitors in the marketplace. That’s an advantage we can grow on!

— Melvoin Lucear, Senior Executive, Glazer's Wholesale Drug Company, Inc.
