

Case Study: CareerBuilder – Large Enterprise **Professional Services Company**

Introduction

This case study of a large enterprise professional services company is based on a April 2014 survey of Frost & Sullivan Executive MindXchange customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

"It allows us to learn best practices from comparable companies in terms of customer ownership and strategy that we'll be taking back."

"We established strong relationships with numerous business leaders from the attendees and vendors. Thanks!"

Challenges

- Finds that traditional trade show and conferences are plagued by the following participant challenges:
 - Content that does not stay on point and speakers that are not qualified to present on the topic
 - Presentations that produce too few action items and takeaways because they are too theoretical
 - An audience that is too junior

Use Case

- Rated the networking at the Frost & Sullivan Executive MindXchange as the best they've seen.
- Has attended the Frost & Sullivan Executive MindXchange 4 times.

Company Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Company Size: Large Enterprise

Industry: **Professional Services**
