TALLIE BY EMBURSE CASE STUDY

Manhattan SC

Introduction

This case study of Manhattan SC is based on an August 2020 survey of Tallie by Emburse customers by TechValidate, a 3rd-party research service.

> "The speed to reimburse employees and volunteers" is the biggest business impact since starting to use Tallie, says Samual Arnoff, Controller.

Challenges

Manhattan SC was facing the below business challenges with their expense reporting process.

- Reimbursing employees faster
- Implementing an approval process and workflow
- Automating receipt scanning and transcribing receipts
- Ensuring accuracy of data
- Obtaining approvals from people managers
- Tracking expenses incurred on behalf of clients or non-employees

To solve these challenges, Manhattan SC ultimately selected Tallie by Emburse.

Use Case

Manhattan SC chose Tallie over other expense solutions like Expensify and Divvy because of Tallie's:

- "Extremely easy" integration with Bill.com
- Ease of use
- Automation
- Efficiency and productivity gains
- Fast and easy implementation
- QBO integration

Manhattan SC is especially satisfied with the below features and functionalities:

- Credit card transaction management
- Analytics and data transfer
- Approval workflows
- Receipt processing

Organization Profile

Organization:
Manhattan SC

Industry:
Non-profit

About Tallie by Emburse

Tallie is an online expense management tool built with smaller businesses in mind — it is ridiculously easy to use, eliminates accounting mistakes and can be implemented rapidly. Tallie is designed to integrate seamlessly with core financial and accounting systems, such as Bill.com, QuickBooks Online and Desktop, Sage Intacct, NetSuite, or Xero.
