Frost & Sullivan's Customer Contact VIRTUAL – "Relevant, Actionable and Dependable."

" Have been attending for about 9 years. Every year, I bring more of my Leaders with me. This most recent one, I brought along 8 Leaders from my Team. Material is relevant; speakers are knowledgeable; networking is great (harder in virtual vs onsite though); lots of relevant ideas. Sparked my team too!

— Amar Sidhu, COO, Automatic Data Processing, Inc.
