

## Axle Hire

### Introduction

This case study of AxleHire is based on a March 2022 survey of Wonolo customers by TechValidate, a 3rd-party research service.

“The Wonolo platform is easy-to-use and helps us find reliable workers.”

### Challenges

Before partnering with Wonolo, Axle Hire faced challenges with pay competition while also attempting to offset labor challenges by leveraging traditional staffing agencies or gig platforms.

### Use Case

Axle Hire ultimately decided to partner with Wonolo for their:

- Ability to control the number of jobs posted per day (based on demand)
- Wonolo offered a scalable solution allowing various team members to manage job requests in multiple locations, all in one centralized platform

When comparing Wonolo’s abilities to *internal HR/sourcing efforts* as well as *external staffing agencies*, Axle Hire rated Wonolo as “**Better**” in the following areas:

- Performance:
- Ease of Use
- Scalability

### Results

Overall Wonolo reduce administrative effort to quickly and easily find workers to fill jobs and offered a scalable labor solution with easy access to reporting and job visibility.

#### About Wonolo

At Wonolo, we recognize the barriers that make it difficult for people to find fulfilling work and for companies to find quality workers. We believe that there’s a better way to connect people and jobs. A transparent way that trusts people from diverse backgrounds. An equitable way that offers everyone broad job opportunities with best-in-class protections. A versatile way that provides flexibility for the dreamer and consistent work for anyone who wants stability.
