

## WONOLO CUSTOMER FACT

What I find most valuable about Wonolo is the great customer service and support, combined with the ease of use of their platform. Wonolo helps us bring back the same workers, and we've found workers we want to bring on full-time. We've been able to reduce staffing solutions by up to 50%, saving us time in sourcing workers and filling jobs. Compared to other staffing solutions, we are very satisfied with Wonolo.
