

Wonolo solves staffing challenges end-to-end

When asked what they most like about using Wonolo, a medium enterprise hospitality company noted the ease of use, quality of workers, and excellent service:

Single Platform Solution:

- Ease of posting and modifying job postings
- Easily adjust the number of workers, up or down, needed day-to-day
- Ability to use Wonolo across multiple locations from one dashboard
- Ease of confirming payments upon job completion
- On-the-go access to Wonolo's app, WonoloPro, from my cell phone
- Real-time visibility of fill rate

Worker Quality:

- Ability to invite back favorite workers
- Highly reliable workers showing up to work
- High number of repeat workers returning to our jobs

White Glove Service:

- Excellent level of service from account management and support teams
