# 97% of Customers Confirm Ease of Integration

When asked to rate A10 Network's Thunder CGN future proof feature, easy integration with future network evolution plans, i.e., 5G, NFV, MEC, edge, telco cloud, and cloud native, compared to other vendors/competitors they have evaluated or used, organizations said:

- Best in class: **27%**
- Superior: **49%**
- Better: **22%**
- Not better: **3%**
