

## Iconecta CIO Says A10 Networks “Best in Class”

Compared to other vendors they have evaluated or used, iconecta.com.br rated A10 Network’s Thunder the best in class for the following:

- CGN Centralized Management
- Reliability
- Features and Functions
- Quality of Customer Support
- **Flexibility and Speed of Implementation**
- Robust APIs for Integration with Existing Tools
- **Easy Integration** with Future Network Evolution Plans, e.g., 5G, NFV, MEC, edge, telco cloud, cloud native
