# Educational Institution Reduces Costs and Saves by Migrating from F5 to A10

★★★★★

5/5 Stars

Please describe why you selected solutions from A10 Networks and the value that you have gotten:

> **"** We knew we could *save on costs when we compared F5's costs to A10's*.

Would you recommend A10 Networks Thunder Series, and if so, why?

> **"** The ease of deploying a load balancing environment within minutes. Simple command-line interface (CLI) commands married with a GUI interface *makes navigation really easy*.
