

Spain's Telefonica S.A. Adds Security and Achieves Multiple Benefits Thanks to A10's Thunder CFW

Telefonica S.A. achieved the following with A10 Networks Thunder CFW:

- **Lowered OpEx by 50-74%**
- Reduced security incidents 50-74%
- Dropped CapEx 25-49%

“It's a pretty versatile product. We improved software automation, performance, and security on our data center due to A10 Networks Thunder CFW solution.”
