  - ADP’s ability to meet compliance regulations: Above Average
  - Ease of using ADP solutions: Above Average
  - Payroll accuracy: Above Average
  - ADP’s data security, privacy and confidentiality: Above Average
- Rates each of the following aspects of the ADP support:
  - customer support team’s responsiveness: Above Average
  - understanding of their business : Good
  - proactively identifying issues before they happen: Good
  - customer support teams’ knowledge of the legislative landscape: Good
  - informing of upcoming legislation changes: Above Average

## Use Case

The key features and functionalities of ADP that the surveyed company uses:

- The business reasons that led their organisation to evaluate and ultimately select ADP:
  - Wanted to reduce over-reliance on one person in their organization
  - Wanted to adopt a single-supplier strategy
  - Felt ADP was the right fit for their business
  - Wanted access to expertise when required
  - Needed proactive support on legislation and compliance changes
- The payroll reasons that led their organisation to evaluate and ultimately select ADP:
  - To save time and improve efficiency in their payroll processing
  - To improve their payroll data security, privacy and compliance
  - To stay ahead of payroll legislation changes and compliance requirements
  - I had used ADP services with a previous organisation and was aware of the cost savings that could be had by using an external payroll services supplier, thus making our decision to use ADP a financial benefit decision as well

## Results

The surveyed company achieved the following results with ADP :

- The benefits they have seen since working with ADP:
  - Saved time and money by streamlining payroll processes
  - Were able to focus on their core business
