“Time Saving on tracking Individual attendance reports.”

Challenges

- Business reasons that led their organization to evaluate and ultimately select ADP SecurTime as their partner of choice:
 - We had outgrown our previous supplier
 - To accurately track employee work hours
 - To avoid buddy-punching
 - To track attendance in real-time and effectively manage any last-minute absences
 - To track the attendance of staff working across multiple locations in a single day or shift
 - ADP-SecurTime was the right fit for our business
- Please share the benefits you have seen since working with ADP SecurTime:
 - Better visibility into our distributed workforce
 - Track employee attendance in real-time
 - Stop time leakage, time fraud, and ghost employees
 - Improved data security
 - Accurate, secure, real-time attendance, absence and leave data direct to payroll
 - Manage 24x7 schedules, absences, productivity, overtime, and analytics across vast, distributed locations
 - Improved shift scheduling with shift cut-off, shift rotation, and on-call tracking
 - SecurTime provides cloud-based mobile app
 - Live attendance tracking, alerts, and notifications
 - Geo-tagging, geo-fencing, biometric punch and alerts
 - Easy-to-use dashboards and reports
 - We are now confident that we are always compliant
