

ADP Australia

Hened Saad, Payroll Manager, ARA Security Services Pty Limited & ARA Fire Pty Ltd

5/5 Stars

Why they gave ADP this rating:

ADP consultants within the managed service teams help the day to day processing run smoothly. They are helpful and efficient.

How their organization uses ADP:

ADP manages our payroll system. Our employee use ESS to manage leave requests to manager. Payroll process our monthly and weekly payroll upon receiving the variable data from the payroll team. The reports have helped our EOM processes cutting my time in half for reporting then any previous systems used.
