

Bronwyn Howard-Browne, a Global Operations Director at Global Technology Company, UK, would be very likely to recommend Jira Align for this reason:

“ Jira Align is the most brilliant application I have worked with in my professional career. I know it sounds ridiculous but it changed my life at work! Being able to manage, and view, huge portfolios of work – and visualize how they roll up to our strategic imperatives – in one place and in real time is **AMAZINGLY** powerful and valuable.
