Company Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Company Size:
Medium Enterprise

Industry:
Health Care

About BlueJeans

BlueJeans Network is the most advanced way to enable video conferencing in the workplace or on the road. The goal is to make video as easy and pervasive as audio communications and create visual experiences that people love. While the audience that uses BlueJeans has expanded to businesses of all sizes, the core customers are enterprises who need reliability, security, and scale they can trust.
