

Just Energy Entertainment's partnership with BlueJeans' has been able to save ENERGY for everyone on the JEESQUAD & our clients!

Just ENERGY Entertainment uses BlueJeans by Verizon video conferencing to have dance rehearsals, break outs rooms for the emcee & table reads, and even training new hires! Having our meetings & rehearsals on BlueJeans' have saved the us gas money, travel time, and decreases company cost. We have even started using BlueJeans' for our clients walk through of their venue prior to their event! They love how easy they can just download the app on their phone. This saves both of us time and saves our company the travel expenses. By using BlueJeans' Just ENERGY Entertainment, the JEESQUAD, and our clients have saved valuable time, money & ENERGY!
