

Calabrio is Dedicated to Supporting Customers

4.5/5 Stars

How our organization uses Calabrio ONE:

“ Mainly for recording telephone conversations. We would love to use Calabrio to archive and ‘play’ back. We also use Calabrio for cell phone, chat, and video conversations (cross-channel recording platform).

Would you recommend Calabrio ONE?

“ Yes, as Calabrio is an open platform using industry standards and is delivered and maintained by an organization dedicated to supporting us.
