

# Uinta County School District #1 – Wyoming

## Introduction

This case study of W. Jefferson School District is based on a June 2016 survey of Crisis Prevention Institute customers by TechValidate, a 3rd-party research service.

“The trainings are well organized and focused on specific information that is applicable and easy to understand. The customer support services that are available are fantastic and CPI offers engaging ways to receive the information. As a result, the trainings are fun as well as educational and widely applicable.”

“CPI improved staff de-escalation skills, improved overall safety, and has become ingrained in our training.”

“Because of an increase in direct instruction time, CPI training has led to improved student outcomes. (For instance, test scores, student grades, graduation rates, etc.)”

“CPI has made a difference for us because staff now have more confidence in the de-escalation skills and more ability to wait out a behavior, which leads to better outcomes.”

## Challenges

- Sought Nonviolent Crisis Intervention® training to:
  - Improve staff confidence in working with challenging student behaviors
  - Improve staff skills in managing behaviors

## Environment

- Categorizes their school as a rural school

## Results

- Reduced challenging/disruptive behaviors by 40–49% since implementing CPI de-escalation techniques
- Decreased the use of physical restraint and seclusion by 50–74% since implementing CPI training
- Agrees that the enhanced content has helped them, their staff, and their school
- Achieved return on investment with CPI by:
  - Meeting regulatory compliance
  - Reducing liability
  - Improving staff skills and confidence
