

Neighbor to Family – Georgia

Introduction

This case study of Neighbor to Family is based on a June 2016 survey of Crisis Prevention Institute customers by TechValidate, a 3rd-party research service.

“New staff feel more confident that they will be able to handle any verbal or physical situation with the children. The emphasis on verbal de-escalation is critical and very well presented.”

“CPI improved staff de-escalation skills, improved overall safety, and has become ingrained in our training.”
