

5/5 Stars

Please describe how your organization uses Crisis Prevention Institute.

Nonviolent Crisis Prevention training is provided to all administrators and almost all Intervention Specialists and Instructional Assistants yearly as a refresher or initial course.

Would you recommend Crisis Prevention Institute, and if so, why?

The program has highly valuable curriculum for training staff in how to effectively work with students, parents, and other staff members that exhibit difficulty with mental health issues, disabilities, and/or have experienced trauma.
