Please describe how your organization uses Crisis Prevention Institute.

“ We train ALL our incoming Instructional Assistants, Administration, all supporting staff members, and teachers.

Would you recommend Crisis Prevention Institute, and if so, why?

“ I would recommended Crisis Prevention Institute to any facility, business, store, hospital, and educational institution as an invaluable asset to working with individuals. The lessons learned through your program are ones that can and will be used during one’s lifetime in one’s business and personal life.
