

5/5 Stars

Please describe how your organization uses Crisis Prevention Institute.

Our staff currently only have a small team of individuals trained to intervene and de-escalate to minimize disruption for others.

Would you recommend Crisis Prevention Institute, and if so, why?

Absolutely, the skills staff gain from CPI can are above and beyond other behavior programs. They are simple, clear, and to the point. Anytime I have ever had trainer questions or concerns arise I receive immediate support, understanding, and clarification.
