Please describe how your organization uses Crisis Prevention Institute.

“ We have multiple trainers and conduct multiple trainings and follow-ups throughout the year. Staff that are trained include special education staff, administrators, support staff, Social Emotional Advocates (TOSA’s with a focus on social emotional learning), and some general education staff.

Would you recommend Crisis Prevention Institute, and if so, why?

“ Yes, because it’s internationally renowned and vetted, and because the approach is effective both in the moment, via the debriefing, and in problem solving effective future approaches.
