

5/5 Stars

Please describe how your organization uses Crisis Prevention Institute.

“ We train all of our special education staff and paras and also all of our building administrators.

Would you recommend Crisis Prevention Institute, and if so, why?

“ Definitely. Its core beliefs and the versatility of the program to deal with anyone you come in contact with that is having issues and to help de-escalate that situation. The tools you get by learning from this program are indispensable and very valuable.
