Please describe how your organization uses Crisis Prevention Institute.

St Tammany Parish Public School System currently requires all staff of Students with Exceptionalities to be trained annually. School administrators, counselors and MHPs are also included in this training as are Bus drivers/aides and specially appointed custodians, general education teachers, lunchroom staff, and select others.

Would you recommend Crisis Prevention Institute, and if so, why?

I appreciate the verbal de-escalation training and understanding of trauma that students so readily face now days. The course is NOT solely meant to teach disengagements and restraints; most importantly, it is meant to teach the staff how to AVOID having to use the above mentioned skills!
