Please describe how your organization uses Crisis Prevention Institute.

“ We have multiple certified instructors in our district. The intent was to have a trainer in each building. We train our intensive paraprofessionals and Special Education teachers in Nonviolent Crisis Intervention to learn strategies to better serve the needs of our students and staff.

Would you recommend Crisis Prevention Institute, and if so, why?

“ Absolutely! The research and training are exactly what schools need to address, and even eliminate, the physical outbursts by students and the trauma that occurs within our schools.
