

How United School District 480 Makes a Difference for Students and Staff

“ CPI promotes treating all with dignity and respect. This is critical in our district as we keep all students in their least restrictive environment. One concept that this has brought forward is how to resist creating escalating behavior or a power play or ‘allowing’ a student to have his way—how to give the student space to process his/her behavior.

— Vicki Adams, Administrator, Unified School District 480
