Please describe how your organization uses Crisis Prevention Institute.

it is used to promote confidence if a crisis arises and the ability to deal with same in a safe manner

Would you recommend Crisis Prevention Institute, and if so, why?

I would recommend this to any and everyone I have been doing this job for over 28 years and have found this to be the safest and easiest to learn and teach Anytime I have needed any type of help all I have to do is call CPI center and its taken care of The folks there performs in a stellar manner and is a pleasure to deal with! Hands down a great tool to have
