

DataCore SDS Delivers Vendor Independence

5/5 Stars

How would you describe DataCore SDS to a friend or colleague?

“ You’re not bound to any hardware to provide storage in a virtualized environment.

In a few sentences, describe the biggest benefits you have seen since implementing DataCore storage virtualization software:

“ Most beneficial is that you’re not bound to any hardware manufacturer or technology. Also, auto-tiering is one of the biggest benefits of Datacore offered in comparison to the former storage backend.
