- Agrees that Reaxys has been extremely helpful at improving efficiency and effectiveness at work.
- Reaxys increased the productivity of their research work by more than 50%.

Company Profile

Company:
G V K BioSciences Private Limited

Company Size:
Medium Enterprise

Industry:
Pharmaceuticals

About Elsevier Reaxys

Reaxys and Reaxys Medicinal Chemistry combine experimental chemical data and essential literature with powerful search interfaces that provide rapid access to facts.

They return relevant extracted chemical data and citations in response to chemistry questions. Both can seamlessly integrate into an existing environment of tools and systems, saving time and reducing the risk of inconsistencies.
