

# Shine Lawyers save 5-10 hours a month using Emburse Chrome River

## Introduction

This case study of Shine Lawyers is based on an October 2022 survey of Emburse customers by TechValidate, a 3rd-party research service.

## Challenges

Before selecting Emburse Chrome River, Shine Lawyers had a manual process to track expenses.

Shine Lawyers needed a better way to handle expenses and decided to evaluate expense solutions. They needed to solve for **poor control over employee spend, needed more timely submission of reimbursable expenses, and were challenged with auditing expense reports to ensure policy compliance**

## Use Case

Shine Lawyers said they were very satisfied with Emburse Chrome River’s ability to reduce errors caused by manual data entry and digital records and workflow tracking. Among the Emburse capabilities, Shine Lawyers found receipt capture and the credit card feed most valuable.

## Results

Seeing a return on investment in 2-6 months, Shine Lawyers said that Emburse’s policy control, expense report creation speed, credit card reconciliation, and mobile capabilities, are **better** than other solutions.

Emburse Chrome River has helped Shine Lawyers **increase company expense policy compliance and have more visibility into spend.**

According to Shine Lawyers, Emburse helps save their finance team 5-10 hours per month.

Enforcing their expense policies through Emburse has saved Shine Lawyers an estimated 1-5% of employee spend annually.
