

Moving Office Equipment

Introduction

This case study of Moving Office Equipment is based on a March 2017 survey of Fleetmatics customers by TechValidate, a 3rd-party research service.

“LogBook has helped us cut down on HOS violations and paperwork. We thought REVEAL was a great platform, now we’re using their e-logs and have had no issues.”

Challenges

Moving Office Equipment began looking for an electronic logging solution in order to improve safety. The company chose Fleetmatics LogBook because of the integration with Fleetmatics REVEAL.

Use Case

A number of LogBook features help the company to increase productivity:

- Automated reports
- Hours of service violation alerts
- Electronic DVIR

Moving Office Equipment reports that each of these features has also helped the company to cut costs.

Results

Fleetmatics LogBook has improved Moving Office Equipment’s business in the following ways:

- Decreased the number of HOS compliance violations
- Given them access to drivers’ hours of service (HOS) in real time
- Significantly reduced the amount of time employees spend on paperwork
- Decreased DVIR time and paperwork
- Prepared their business for the upcoming ELD mandate changes
