

Aimee Morris, a Manager of Marketing & BD at Coosa Pines FCU, would be very likely to recommend GreenPath Financial Wellness for this reason:

“ I have worked with the program long enough to know that you have our credit union’s members’ best interest at heart. Also, the articles, posts, etc. are easy to market to members, making my job a little easier. GreenPath also offers many opportunities to learn more about the programs you provide and how to share them with members.
