First-time Gold members and we've been able to take advantage of some of the regional events and sponsorships, as well as the media and Global Conference benefits. It's good to have the HIMSS name tied to our healthcare IT marketing efforts and have access to the top-tier members.

In a sentence or two, please describe your overall experience working with the HIMSS.

Great experience. The team members that I've worked with have been extremely responsive and willing to help. In particular Kevin Clearly, Susan Birch, and Jessica Daley at the National Level; Tiffany Zbranek at the local DFW chapter level.
