

WHEELERD124 Valued Customer, a user of Identifix Direct-Hit, would be very likely to recommend for this reason:

Identifix is very helpful with diagnosis, as it provides actual repair shop experience and ‘confirmed fixes’ from across the country, as well as the diagnostic trees, and wiring diagrams, component location. Additionally, ‘common specs’ are easy to access. The manufacturer’s maintenance schedules are helpful. The feature that Identifix staff will look up the information not provided on the site is also helpful.
