

4.5/5 Stars

How our organization uses IPC:

“ I’ve used the IPC market research mostly as a competitive virtual benchmarking activity. It is a springboard to considering new technologies, but keeps us focused on those competencies that are core to our business.

Why I would recommend IPC:

“ I would consider 5-stars to be a one-stop shop for business intelligence. The IPC reports are important, but only provide information on the PCB assembly part of our business.
