

An excellent solution to a variety of industries

A Business Systems Analyst at a Global 500 pharmaceuticals company would be very likely to recommend LabWare LIMS and ELN Solutions for this reason:

...I have used is [a competing] LIMS and although it was configured in a way that was very easy to use I believe LabWare LIMS surpasses its functionalities and capabilities. LabWare is very user-friendly and like all applications, its success is dependent on the how well it is implemented for its use. I believe LabWare LIMS and ELN offer an excellent solution to a variety of industries.
