

Lexis Advance Case Study: 2 to 5 Attorney Firm

“I like the folders in Lexis Advance, as that saves time and paper. I can easily access the information needed and also Shepardize the cases quickly. Previously, I had to save them on a computer, try to find the ones I wanted as I could not save them with notes on the computer (my documents doesn't allow), and then have to look up each case again to see if it was still relevant/good law. The notes are great for this too as I can outline the sub-issue in a case within a folder.”
