

Don't Waste Time – Promptly Search and Pull Relevant Case Law With Lexis Advance

“ We often require a ‘quick answer’ to a legal question as the City Attorney’s Office is responsive to city administration, city departments, city boards and city council, as well as police and fire. We cannot anticipate questions and often have only a few minutes to verify the validity of our opinion and response. Lexis Advance permits prompt searches and pulls case law that is relevant to the search query.
