

I was able to contact the former owner of a defunct business by selecting the 'At Work' option within Accurint for Legal Professionals to see his current business associations. A telephone number was provided by which I was able to interview an associate at one of the businesses to obtain the man's assistant's telephone number. The assistant gave me the man's cell phone and office phone number where he was most likely to be found. I spoke with him and gained the information I needed.
