Company Profile

Company: **All Counties Courier**

Company Size: **Medium Enterprise**

Industry: **Transportation Services**

About Motus

Motus is the definitive leader in mileage reimbursement and driver management technologies for businesses with mobile workers and fleets of all sizes. Only Motus leverages deep insights captured across the world's largest retained pool of drivers to calculate personalized and compliant vehicle reimbursements, keep drivers productive and safe, and ultimately maximize returns and minimize risk for all aspects of the mobile workforce. Motus data expertise also underpins the annual Internal Revenue Service (IRS) business mileage standard, the amount an individual can deduct for business vehicle expenses.

- Generated cost savings without adding to the workload of their employees
- Mitigated IRS audit risk
- Improved compliance with labor laws
- **Reduced liability**
- Reports that their vehicle program administrators reduced time spent on their program by 15-20 hours per month since using Motus
- Reports that Motus reduces vehicle program costs for companies by an average of 21%-30%
- Reports that they achieved a return on their investment in Motus within 7-12 months
