

## Arbor Edge Defense and Arbor Cloud are the best solution for protecting digital experiences

5/5 Stars

Please describe how your organization uses NETSCOUT Arbor products, technologies, and services.

“ We employ AED as our perimeter defense to complement a cloud-based volumetric DDoS solution.

Would you recommend NETSCOUT Arbor products, technologies, and services, and if so, why?

“ AED is great, good GUI and rich information. The managed service is very engaging and proactive.
