

Kingman Regional Medical Center

Introduction

This case study of Kingman Regional Medical Center is based on a November 2019 survey of Cardinal Health Nuctrac™ customers by TechValidate, a 3rd-party research service.

“I have been very pleased with the customer service department when needed. Matt Schuessler has been a huge help, always helping and answering my emails when I’m in need.”

“I think that the new system is very tech-friendly. It’s easy to use and navigate through. Ordering doses is also more efficient.”

Challenges
