

Case Study: MCO Transport

Introduction

This case study of MCO Transport, Inc. is based on a January 2016 survey of Omnitracs Hours of Service customers by TechValidate, a 3rd-party research service.

Challenges

- Chose Omnitracs over other Hours of Service providers for the following reasons:
 - The price
 - Their reputation / industry leadership
 - Already had Omnitracs equipment in truck
- Main motivations for adopting a Hours of Service application:
 - Driver safety
 - Concerns about audits / falsified logs
 - Reducing driver paperwork
 - Reducing back office paperwork / administrative expenses
 - Driver satisfaction

Use Case

- Strongly agrees that Omnitracs Hours of Service has had a positive impact on driver safety.

Results

- Saves between 10 – 15 minutes of paperwork time each day per driver with Omnitracs Hours of Service.
- Drivers who previously used paper logs and now use e-logs, > 75% of these drivers prefer the new method.
- > 75% of their drivers feel Electronic Logging Devices make their jobs easier.
- Strongly agrees that Omnitracs Hours of Service has had a positive Return on Investment for their company.
