

## Customer Testimonial

5/5 Stars

Would you recommend SpeedGauge, and if so, why?

“ You find out who-is-who and what is happening that is NOT being caught by the patrolling officers or scale houses.

Is there anything else you would like to mention about your experience with SpeedGauge?

“ Make your fleet accountable. Post the speeds with who is doing it, that seems to take care of itself, besides the few hard-headed drivers.
