

Guckenheimer trains an additional 26% of employees with OpenSesame

Introduction

This case study of Guckenheimer is based on a June 2017 survey of OpenSesame customers by TechValidate, a 3rd-party research service.

“With OpenSesame, we have been able to offer a much larger range of course content to our employees.”

Challenges

The business challenges that led the profiled company to evaluate and ultimately select OpenSesame:

- Faced the following challenges when providing online training to learners at their company:
 - Providing enough training topics to cover all employee needs (e.g. employee levels and departments)
 - Cost
 - Using a learning management system (LMS)
 - Working with multiple vendors
- Offered 101-500 training courses to their learners prior to using OpenSesame.
