

Why Caterpillar dealers love OpenSesame

Tom Yeaglin, a Learning and Development Manager at Gregory Poole Equipment Company, would be very likely to recommend OpenSesame for this reason:

I like the curation, time invested by OpenSesame in vetting course publishers, willingness to have other users share their best practices, and I'm very appreciative of OpenSesame's efforts to make sure our questions are answered. I am also extremely grateful that OpenSesame created a user group devoted to Caterpillar dealers which shows their dedication to providing a good customer experience.
