

Telecom service provider recommends OpenSesame Smart Lists

5/5 Stars

How OpenSesame Smart Lists helped me find the courses I need:

“ I love that Smart Lists recommends courses for any search term. Sometimes I’m not sure what exactly someone needs and Smart List provide results that our SMEs find useful.

Would you recommend OpenSesame Smart Lists?

“ Yes. They are perfect for when you aren’t an expert on a topic. You are able to find more relevant content with fewer search terms.
