

Why Owens-Illinois recommends OpenSesame

Matt Mafrici, a Human Resources Manager at Owens-Illinois, would be very likely to recommend OpenSesame for this reason:

“ Everything worked exactly the way it was described.

The Customer Service was **exemplary** — lots of contact and check-ins to see if there was anything further that could be done.

We launched a region-wide LMS at the same time as the OpenSesame elearning, so it was risky. **Happy to say it was seamless.**
